

PUBLIC NOTICE REGARDING DISPOSAL OF RUBBISH

Due to shortages of labor, gasoline and tires, beginning February 1st, all residents of the City of Torrance whose homes are served by alleys, either side or rear, must deposit all refuse, rubbish, cans, grass cuttings, tree and flower trimmings, etc., in the alley adjacent to their property.

City employees and equipment will not pick up any rubbish placed at the curb or in the gutter where alleys are available.

It is requested that all residents so co-operate with the City in this period of emergency, and also by burning all combustible refuse in the manner approved by the Fire Department, but only between the hours of sunrise and 10:00 A. M. and between 4:30 P. M. and sunset.

GLENN M. JAIN,
City Engineer and Director of Public Works.

Union to Admit Women Workers

Women workers in the Columbia Steel plant are to be admitted to the United Steel Workers local No. 1414 and Feb. 6 has been set for the date for the first admission of feminine members.

The occasion is to be a social event, according to officers of the local, with entertainment and refreshments and husbands, sisters, mothers and friends of the new members as invited guests.

The local plant will not have as many women workers as many war industries because much of the work requires heavy lifting. But many lighter tasks are now being handled by the women Columbians and wherever they can be used they will be employed.

SALES CLASSES

A class in salesmanship will begin at Torrance evening high school, beginning Monday evening, Feb. 1, and continuing for six consecutive weeks. Classes from 7:30 until 9:30 o'clock, will be conducted by T. A. DeBolt.

Library Service Follows Trend Up

Informed that public library service provided by the County Library would cost \$4,242.46 for the fiscal year beginning July 1—an increase over the amount paid by the city this year—the city council Tuesday night decided that the service will be continued here.

"Everything else is going up, so I guess the cost of reading recreation should advance too," Mayor Tom McGuire said.

Bill Stewart to Become Officer And Benedict

Feb. 16 will have a double significance for William R. "Bill" Stewart, formerly of Torrance. On that date he will be graduated from the Army flying school at Ellington Field, Texas, and commissioned a lieutenant. Immediately afterward he will marry Miss Jean Hathaway, daughter of Mr. and Mrs. Roy Hathaway, 25606 Pennsylvania ave., Lomita.

Miss Hathaway, accompanied by her mother and Bill's mother, Mrs. Gwendolyn Stewart of Los Angeles, will leave shortly for Texas. The marriage will climax a romance dating from high school days.

Stewart attended Torrance high, graduating with the class of '39 and entered U. S. C. in the fall. He left the university to enlist in the Air Corps in December, 1941. While a student here Bill made his home with Mr. and Mrs. H. M. Steadman, 1020 Portola ave.

He was widely known as a high jumper and for a brief space one afternoon in 1940 was holder of the world's record, only to have his mark eclipsed some 30 minutes later by Les Steers, who out-jumped him by 1/4 inches.

BRIDE-ELECT FETED AT SHOWER PARTY

Miss Jean Hathaway, daughter of Mr. and Mrs. A. L. Hathaway of Lomita, bride-elect of Lieut. William R. Stewart, was complimented when Mrs. Charles Dodds, Jr., entertained at her home on Oak st. with a miscellaneous shower Monday evening. Shower games followed the presentation of many lovely gifts. Those present were the honoree and Misses. Mary Lewis Cramer, Ann Goslin Cook, Marjorie Hamilton Ozanne, Betty Dillon Hall, Marjorie Long Donaldson, Nancy Wagner, and the Misses Jane Henson, Blanche Smith, Georgina Tiffany, Mary Jasich, Elaine and Kay Sherwood.

The bride, attired in soldier blue crepe with contrasting accessories and complemented with an orchid corsage, was attended by her sister, Mrs. Kenneth Kail, who wore a navy dressmaker suit and a sweet pea corsage. Jack Pryor, brother of the bride, was the bridegroom's attendant. Mr. and Mrs. Peacock will make their home in Los Angeles. They are employed at National Supply Co.
